

LES SAVEURS DU MONDE DANS VOTRE ASSIETTE

The background is a light cream color, decorated with various elements. On the left, there are several red chili peppers, some whole and some sliced. Scattered around are several red kidney beans. There are also several stylized, hand-drawn geometric shapes in green, yellow, and purple, including zig-zags, stars, and floral-like patterns. A large purple trapezoidal shape is positioned in the lower center, containing text.
