

DE WERELD OP JE BORD

The background is a light cream color decorated with various Mexican-themed elements. On the left, there are red chili peppers. Scattered throughout are colorful, hand-drawn patterns: yellow and green zig-zags, purple and yellow flowers, and a large yellow heart shape. In the lower right, there are several red kidney beans. A large purple trapezoidal shape is positioned in the lower center, serving as a backdrop for the recipe title.
